

PAYMENT WEBSITE NOT SGWASA !!

There is a payment website that sometimes displays when customers search for SGWASA. It redirects you to a page for “doxo” (<https://www.doxo.com/info/south-granville-water-sewer-authority>). Although this site promotes itself as SGWASA, this is not our website. They disclaim in the fine print that they are “not an affiliate” ; however recently some of our customers have been misled into thinking they were paying us directly. This website charges a convenience fee to presumably mail a check to SGWASA. Unfortunately there is nothing SGWASA can do to stop this type of cloning of our website.

Please be warned that this is not an official SGWASA payment site. Use at your own risk.

If paying online, please use our website at www.sgwasa.org

We charge no fee and most importantly your payment is reflected on your account automatically.
